Awesome second tier lake views!

This chalet offers excellent lake views. The kitchen has been renovated and new granite counter tops and a peninsula eating area have been added. This kitchen features a Subzero refrigerator, stove, trash compactor and dishwasher. The bathroom has also been remodeled. New flooring is in place including laminate and ceramic tile. The loft area serves as the third bedroom (no closet is present). The lower level is full and finished. It offers a family room and a laundry area. The lower level walks out newer French doors to the front of the home. From this home you will enjoy beautiful lake views along with wonderful sunsets. This is the perfect getaway property!
